How it works

Your health is important to living a full and happy life. So planning for the unexpected should be on your to-do list. That's why we offer solutions to help you live the life you were meant to.

Our Cancer Treatment insurance policy provides:

- ▶ Benefits for a range of cancer treatments, care and associated costs
- ▶ Coverage for you, your spouse and/or your family
- ▶ Issue ages from 18 - 99
- ▶ Guaranteed Renewable for life (*Subject to the company's right to increase premiums on a class basis*)
- ▶ Riders for added flexibility (*for an additional premium*)

Help Ease Financial Issues

You can't predict the future. So, it's good to plan ahead. Cigna Supplemental Solutions® insurance policy, through Loyal American Life Insurance Company, can help protect you financially should you be diagnosed with cancer.

From hospital stays and surgeries, to chemotherapy and radiation treatments, these costs can add up fast, and you may not have money set aside to cover these expenses. That's why we developed coverage that provides benefits for the more commonly-associated cancer costs, as well as the out-of-pocket expenses that could arise, such as child care, transportation and lodging expenses.

No Surprises

We pay regardless of any other insurance you may have, and we pay directly to you, or your designee.

How it Works

Choose your benefit amounts. You can select the benefit amounts that best fit your lifestyle and your wallet.

Customize your coverage. In addition to the included benefits, you have the flexibility of adding:

- ▶ a lump sum cancer or heart attack & stroke rider;

Covered benefits

Should you receive a cancer diagnosis, we are here to help you pay for the care and treatment. The following benefits are included in your policy. Refer to the chart for benefit amounts.

Hospital Benefits

Hospital Confinement Benefit

Should your cancer treatment require that you stay at a hospital or the Intensive Care Unit (ICU) of a hospital as an inpatient, we will pay a daily benefit amount for the first 30 days of confinement. If confinement continues after the 30th day, the daily benefit amount doubles.

Outpatient Diagnostic Benefit

If you receive a positive diagnosis of cancer within 90 days of incurring a charge for any type of laboratory test, biopsy, x-ray or other imaging tests, we will pay this benefit amount.

Not payable for multiple diagnoses of the same cancer or for cancer that metastasizes or for recurrence of the same cancer. Limited to a maximum of two payments, per person, per lifetime.

Inpatient Drug & Medicine Benefit

(Payable only if the Hospital Confinement Benefit is also payable)

If you are given drugs and medicine (approved by the U.S. Food and Drug Administration), while confined as an inpatient in a hospital or the ICU of a hospital for the care and treatment of cancer, we will pay the benefit amount for each day that charges are incurred.

Excludes inpatient drugs and medicines used for radiation treatment and chemotherapy treatment.

Limited to a maximum of 10 days per person, per hospital confinement.

Attending Physician Benefit

(Payable only if the Hospital Confinement Benefit is also payable)

We will pay the benefit amount for each day that you receive and incur a charge for the professional services of an attending physician while confined as an inpatient in a hospital or the ICU of a hospital for the care and treatment of cancer.

Private Duty Nursing Benefit

(Payable only if the Hospital Confinement Benefit is also payable)

If a private duty nurse is required while confined as an inpatient in a hospital or the ICU of a hospital for the care and treatment of cancer, we will pay the benefit amount for each day that charges are incurred.

The private duty nursing service must be other than the nursing services regularly furnished by the hospital or an immediate family member and must be authorized by the attending physician.

Surgical Benefits

Second or Third Surgical Opinions Benefit

If your doctor recommends surgery for the care and treatment of cancer, you may seek a second opinion, and we will pay this benefit amount. If the second opinion differs from the initial surgical opinion, we will pay the benefit amount for a third opinion. The second and third opinions must be obtained from a doctor not in practice with the one rendering the initial surgical opinion.

Physician's Office Surgical Benefit

Should you have surgery performed in a doctor's office for the care and treatment of cancer, we will pay one benefit amount for each day that charges are incurred.

Anesthesia for Physician's Office Surgery Benefit

(Payable only if a Physician's Office Surgical Benefit is also payable)

We will pay the benefit amount for each day that you incur charges for the administration of anesthesia during a surgical procedure performed in a doctor's office for the care and treatment of cancer.

Not payable for skin cancer surgeries.

About **1,665,540** new cancer cases are expected to be diagnosed in 2014.¹

Waiver of Premium

We will waive future premium payments due under the policy and any attached riders when you meet the following conditions:

1. You are diagnosed with cancer after the 30-day waiting period has expired and while you are covered under the policy; and
2. You are totally disabled for more than 60 days as the result of your diagnosis and treatment of cancer; and
3. Premium payments continue for 60 days after the commencement of your total disability.

Total disability must begin before the policy anniversary following your 65th birthday. Upon approval of this benefit, waiver of premiums will begin on the premium due date next following 60 days of continuous total disability. If you are no longer totally disabled for at least 30 days, this benefit will be discontinued.

Any future total disabilities will be considered a new period of total disability and will need to meet the conditions outlined above. Does not apply to the total disability of your spouse or any child(ren) covered under the policy.

Continuation of Care Benefits

Rehabilitative Therapy Benefit

We will pay the benefit amount for each day you receive and incur a charge for physical therapy, occupational therapy or speech therapy prescribed by a doctor for the care and treatment of cancer. If more than one type of rehabilitative therapy is provided to you on the same day, we will only pay one benefit for that day.

Limited to a maximum of 20 days per calendar year, per person and will only be paid if the services are provided by a registered physical, occupational or speech therapist.

Extended Care Facility Benefit

We will pay the benefit amount for each day that you incur a charge for confinement in an extended care facility for the care and treatment of cancer. The confinement must begin within 14 days of a hospital confinement covered under the Hospital Confinement Benefit and on the advice of the attending doctor.

Not payable on the same day as a Hospital Confinement Benefit payable under the policy. Limited to a maximum of 60 days per calendar year, per person.

Hospice Care Benefit

For each day that you incur a charge for and receive hospice care from a licensed hospice facility or provider at home, as the result of cancer, we will pay the benefit amount. Benefits will be paid if you are diagnosed as terminally ill with a prognosis for life of six months or

less by a doctor and are no longer receiving treatment to cure your cancer.

Not payable on the same day as a Hospital Confinement Benefit payable under the policy. Limited to a maximum of 30 days per person, per lifetime.

Family Care Benefits

Child Tutorial Services Benefit

We will pay the benefit amount for each day (*maximum of 30 days per calendar year, per insured child*) that your child, covered under the policy, receives scholastic tutorial services provided by a tutor accredited by a state, regional or national accrediting organization while receiving treatment for cancer.

Counseling Benefit

For each day (*maximum of 10 days per calendar year, per person*) that you incur a charge for counseling sessions with a licensed or certified mental health professional while receiving care and treatment for cancer, we will pay the benefit amount.

Child Cancer Diagnosis Benefit

If your insured child were diagnosed with cancer and confined to a hospital or the ICU of a hospital for the care and treatment of cancer, we will pay the lump sum benefit amount (*one per insured child, per lifetime*).

Child Care Benefit

(Payable only if the Hospital Confinement Benefit is also payable)

For each day that you or your covered spouse incurs charges for dependent child care services by a licensed child care provider or facility while you or your spouse are confined to a hospital or the ICU of a hospital for the care and treatment of cancer, we will pay the benefit amount.

Limited to one payment, per day (maximum of 30 days per calendar year) regardless of the number of children you or your covered spouse incur charges for child care services.

Pet Boarding or Pet Daycare Benefit

(Payable only if the Hospital Confinement Benefit is also payable)

We will pay this benefit amount for each day that you or your covered spouse incur charges for pet boarding or pet daycare services at a licensed kennel, pet daycare, or veterinarian's office while confined to a hospital or the ICU of a hospital for the care and treatment of cancer.

Limited to one benefit payment per day (maximum of 30 days per calendar year) regardless of the number of pets you or your covered spouse incur charges for.

EXCLUSIONS, LIMITATIONS & REDUCTIONS

Please see your policy for exact details.

PRE-EXISTING CONDITION(S): A condition/conditions for which medical advice, diagnosis, care or treatment was recommended by or received from a physician within the six month period preceding the effective date of coverage of an insured person. The benefits of the policy and any attached rider will not be payable during the first six months that coverage is in force with respect to an insured person for any loss caused by pre-existing condition(s). This six month period is measured from the policy and rider effective date for each insured person.

Cancer Treatment Policy & Lump Sum Cancer Rider

No benefits will be payable for:

1. Any disease, sickness or incapacity other than cancer as defined; this is so even though such disease, sickness or incapacity may have been complicated, affected (directly or indirectly) or caused by cancer;
2. Loss that begins prior to the expiration of the policy waiting period or rider effective date;
3. Diagnosis received outside the United States or its' territories, unless otherwise specified in the policy and/or rider; or
4. Any illness specifically excluded from the definition of cancer or carcinoma in situ.

WAITING PERIOD: If you are diagnosed with cancer within the first 30 days after the effective date of the Cancer Treatment policy, no benefits will be paid until such waiting period has expired. If you happen to be diagnosed with cancer within the first 30 days immediately following the effective date of the Lump Sum Cancer Rider, the benefit amount payable will be reduced to 10% of the selected benefit amount, and your coverage will be terminated.

Lump Sum Heart Attack and Stroke Rider

If you happen to be diagnosed with two or more qualifying events on the same day or have two or more surgical treatments at the same time (through a common incision or entry point are considered one operation), we will pay only one benefit amount for the diagnosis and one benefit amount for the surgical treatment, the larger of the qualifying event benefits.

No benefits will be payable for:

1. Any disease, sickness or incapacity other than qualifying events as defined; this is so even though such disease, sickness or incapacity may have been complicated, affected (directly or indirectly) or caused by a qualifying event;
2. Loss that begins prior to the rider effective date;
3. A qualifying event diagnosed during the waiting period;
4. Diagnosis received outside the United States or its' territories, unless otherwise specified in the rider;
5. Intentionally self-inflicted Injury, suicide or any attempt while sane or insane;
6. Voluntary self-administration of any narcotic, drug, poison, gas or fumes, unless prescribed or taken under the direction of a physician and taken in accordance with the prescribed dosage; and
7. Any illness specifically excluded from the definition of qualifying events listed in the rider.

WAITING PERIOD: The first 30 days following your rider effective date. If you're diagnosed with a qualifying event during the waiting period, your coverage will be terminated under this rider, and any applicable portion of premiums will be refunded.
