Cancer costs could add up quickly

Your health is important to living a full and happy life. We're with you every step of the way. If you are diagnosed with cancer, the costs could add up quickly. That's why having cancer treatment insurance makes good financial sense.

Preparing for the unexpected

From hospital stays and surgeries – to chemotherapy and radiation treatments – cancer care could be expensive. And you may not have money set aside to cover these expenses. A Cancer Treatment Insurance Policy, insured by Loyal American Life Insurance Company provides benefits for covered cancer treatment costs. And helps pay for other out-of-pocket expenses related to your care, including childcare, transportation and lodging expenses.

What our base policy offers

Benefits for a range of cancer treatments, care and associated costs.

- › Coverage for you, your spouse and/or your family
- › Issues ages from 18-99
- › Paid regardless of any other insurance you may have

- › Guaranteed renewable for life (subject to the company's right to increase premiums on a class basis)
- › Optional rider for added flexibility (for an additional premium)

Choosing benefit amounts and options

You can select the benefit amounts that best fit your lifestyle and your budget. In addition to the benefits in your base policy, you have the flexibility to add the following rider (for an additional premium).

- › A Lump Sum Cancer Rider (\$5,000 to \$100,000)

In the U.S., four out of ten men are at risk of developing cancer in their lifetime.*

Covered benefits

Should you receive a cancer diagnosis, we are here to help you pay for the care and treatment. The following benefits are included in your policy. Refer to the chart for benefit amounts.

Hospital benefits

Hospital Confinement Benefit

Should your cancer treatment require that you stay at the hospital or the intensive care unit (ICU) of a hospital as an inpatient, we will pay a daily benefit amount for the first 30 days of confinement. If confinement continues after the 30th day, the daily benefit amount doubles.

Outpatient Diagnostic Benefit

If you receive a positive diagnosis of cancer within 90 days of receiving any type of laboratory test, biopsy, x-ray or other imaging tests, we will pay this benefit amount. Not payable for multiple diagnoses of the same cancer or for cancer that metastasizes or for recurrence of the same cancer. Limited to a maximum of two payments, per person, per lifetime.

Inpatient Drug and Medicine Benefit

(Payable only if the Hospital Confinement Benefit is also payable)

If you are given drugs and medicine (approved by the U.S. Food and Drug Administration), while confined as an inpatient in a hospital or the ICU of a hospital for the care and treatment of cancer, we will pay the benefit amount for each day drugs and medicine are received. Excludes inpatient drugs and medicines used for radiation treatment and chemotherapy treatment. Limited to a maximum of 10 days per person, per hospital confinement.

Attending Physician Benefit

(Payable only if the Hospital Confinement Benefit is also payable)

We will pay the benefit amount for each day you receive the professional services of an attending physician while confined as an inpatient in a hospital or the ICU of a hospital for the care and treatment of cancer.

Private Duty Nursing Benefit

(Payable only if the Hospital Confinement Benefit is also payable)

If a private duty nurse is required while confined as an inpatient in a hospital or the ICU of a hospital for the care and treatment of cancer, we will pay the benefit amount for each day private duty nursing is received. The private duty nursing service must be other than the

nursing services regularly furnished by the hospital or an immediate family member and must be authorized by the attending physician.

Surgical benefits

Second or Third Surgical Opinions Benefit

If your doctor recommends surgery for the care and treatment of cancer, you may seek a second opinion, and we will pay this benefit amount. If the second opinion differs from the initial surgical opinion, we will pay the benefit amount for a third opinion. The second and third opinions must be obtained from a doctor not in practice with the one rendering the initial surgical opinion.

Physician's Office Surgical Benefit

Should you have surgery performed in a doctor's office for the care and treatment of cancer, we will pay one benefit amount for each day.

Anesthesia for Physician's Office Surgery Benefit

(Payable only if the Physician's Office Surgical Benefit is also payable)

Anesthesia for Outpatient Facility Surgery Benefit

(Payable only if the Outpatient Facility Surgical Benefit is also payable)

We will pay the benefit amount for each day that you receive the administration of anesthesia during a surgical procedure performed in an outpatient facility or on an outpatient basis within a hospital for the care and treatment of cancer. Not payable for skin cancer surgeries.

Inpatient Hospital Facility Surgical Benefit

We will pay the benefit amount (once per day, per person) for each day that you undergo surgery performed in a hospital on an inpatient basis for the care and treatment of cancer.

Anesthesia for Inpatient Hospital Facility Surgery Benefit

(Payable only if the Inpatient Hospital Facility Surgical Benefit is also payable)

For each day that you receive the administration of anesthesia during a surgical procedure performed in an inpatient hospital facility for the care and treatment of cancer, we will pay this benefit amount. Not payable for skin cancer surgeries.

Treatment benefits

Blood, Plasma and Platelet Benefit

When you receive blood, plasma and platelets for the care and treatment of cancer, we will pay the daily benefit amount, except if the blood is replaced by you or your immediate family. Limited to a maximum of 30 days per person, per calendar year.

Reconstructive Breast Surgery Benefit

Should you need reconstructive breast surgery as a direct result of surgery for cancer covered under the policy, we will pay the benefit amount when you receive the surgery. Each breast operation is considered a separate surgical event and includes reconstructive surgery on the opposite breast to obtain symmetry after surgery.

Surgically Implanted Prosthesis Benefit

We will pay the benefit amount when you receive surgically implanted prosthetic devices that are prescribed as a direct result of surgery for cancer covered under the policy. Does not include coverage for tissue expanders or a breast transverse rectus abdominis myocutaneous (TRAM) flap. Limited to a maximum of two surgically implanted prosthetic devices per person, per lifetime.

Non-Surgical Prosthesis Benefit

We will pay the benefit amount when you purchase a doctor-prescribed prosthetic device that does not require surgical implantation as a direct result of treatment for cancer, such as special bras, removable breast prostheses, voice boxes, ostomy pouches, wigs and hairpieces. Limited to one non-surgical prosthetic device per person, per lifetime.

Skin Cancer Benefit

Should you get diagnosed with skin cancer, we will pay the benefit amount for each day that a diagnosed skin cancer is removed by a doctor. If more than one skin cancer is removed on the same day, we will only pay one benefit amount per day, per person.

Transplant benefits

Bone Marrow Transplant Benefit

We will pay the benefit amount (one per person, per lifetime) when receive a bone marrow transplant for the treatment of cancer.

Stem Cell Transplant Benefit

When you undergo a peripheral stem cell transplant for the treatment of cancer, we will pay the benefit amount (one per person, per lifetime).

Travel benefits

Ambulance Benefit

When a charge is incurred for your transportation, to or from a hospital, by a licensed professional ambulance company for ground or air transportation with the primary reason of obtaining care or treatment for cancer, we will pay this benefit amount. Limited to a maximum of two combined ground and air ambulance trips per person, per calendar year.

Transportation and Lodging Benefit

When a doctor prescribes treatment for cancer that cannot be obtained at a hospital or outpatient facility within 100 miles from where you live (within the United

States), we will pay the following for you and an adult companion (18 years or older).

- › Vehicle transportation (50 cents per mile in excess of 100 miles from the residence)
- › Common carrier transportation (50 cents per mile in excess of 100 miles from the residence)
- › Lodging (\$100 per day) – When a charge is incurred for lodging for either you or your adult companion at a hotel, motel or other accommodation acceptable by us.

Limited to one benefit per day for either you or your adult companion.

For women in the U.S., the lifetime risk of developing cancer is a little more than one in three.*

Waiver of premium

We will waive future premium payments due under the policy and any attached riders when you meet all of the following conditions.

- › You are diagnosed with cancer after the 30-day waiting period has expired and while you are covered under the policy; and
- › You are totally disabled for more than 60 days as the result of your diagnosis and treatment of cancer; and
- › Premium payments continue for 60 days after the commencement of your total disability.

Total disability must begin before the policy anniversary following your 65th birthday. Upon approval of this benefit, waiver of premiums will begin

on the next premium due date following 60 days of continuous total disability. If you are no longer totally disabled for at least 30 days, this benefit will be discontinued. Any future total disabilities will be considered a new period of total disability and will need to meet the conditions outlined above. Does not apply to the total disability of your spouse or any child(ren) covered under the policy.

Continuation of care benefits

Rehabilitative Therapy Benefit

We will pay the benefit amount for each day you receive physical therapy, occupational therapy or speech therapy prescribed by a doctor for the care and treatment of cancer. If more than one type of rehabilitative therapy is provided to you on the same day, we will only pay one benefit for that day. Limited to a maximum of 20 days per calendar year, per person and will only be paid if the services are provided by a registered physical, occupational or speech therapist.

Extended Care Facility Benefit

We will pay the benefit amount for each day you are confined in an extended care facility for the care and treatment of cancer. The confinement must begin within 14 days of a hospital confinement covered under the hospital confinement benefit and on the advice of the attending doctor. Not payable on the same day as a hospital confinement benefit payable under the policy. Limited to a maximum of 100 days per calendar year, per person.

Hospice Care Benefit

For each day that you receive hospice care from a licensed hospice facility or provider at home, as the result of cancer, we will pay the benefit amount. Benefits will be paid if you are diagnosed as terminally ill with a prognosis for life of six months or less by a doctor and are no longer receiving treatment to cure your cancer. Not payable on the same day as a hospital confinement benefit payable under the policy. Limited to a maximum of 30 days per person, per lifetime.

Exclusions, limitations and reductions

Please see your policy for exact details.

Preexisting condition(s) limitation: A condition/conditions diagnosed or for which medical advice or treatment was recommended by or received from a physician within the six months prior to the policy or rider effective date. The benefits of the policy will not be payable during the first 12 months that coverage is in force with respect to an insured person for any loss caused by preexisting condition(s). This 12-month period is measured from the policy effective date for each insured person.

Cancer Treatment Policy and Lump Sum Cancer Rider

No benefits will be payable for:

1. Any disease, sickness or incapacity other than cancer as defined;
2. Subject to the pre-existing limitation provision, loss that begins prior to the expiration of the policy waiting period or rider effective date;
3. Diagnosis received outside the United States or its territories, unless otherwise specified in the policy and/or rider; or
4. Any illness specifically excluded from the definition of cancer or carcinoma in situ, except for as provided in the Skin Cancer Benefit.

Waiting period: If you are diagnosed with cancer within the first 30 days after the effective date of the Cancer Treatment policy, no benefits will be paid until such waiting period has expired.

If you happen to be diagnosed with cancer within the first 30 days immediately following the effective date of the lump-sum cancer rider, the benefit amount payable will be reduced to 10% of the selected benefit amount, and your coverage will be terminated.
